Having business in Columbia we started down to the capital city last Thursday night. When we got down to Newberry a wreck just ahead was the occasion of our spending a good part of the night in that town—on the cars. We looked out but did not see the A. R. P. Bishop of Newberry.—A. R. Presbyterian.

Wesley class of Central Methodist church will have a valentine oyster supper and other good things to eat Friday afternoon and night in the Pay-singer building, next to Dr. Way's drug store, beginning at 4 o'clock. The charge for supper will be 25 cents, cream and cake extra. The public is cordially invited.

Those of you who have turkeys must be on the look out, as they may be stolen. Mr. T. Vigodsky had three stolen from him Tuesday night, making the fourth he has lost in the same way. The postoffice authorities authorize an examination for janitor at the Newberry postoffice. No application for this position will be received after March 1. Address secretary fifth civil service district, Atlanta, Ga. The position pays \$660 per annum. The age limit is 18 to 55 years.

Elliot Toland, the negro who has been confined to the pest house during the past month, was released on Thursday morning. He came from Columbia with the small pox and had been resting at the pest house until receiving his discharge. There is no other case at the pest house.

Byterian. Thank you, sir. As to the second part. The Herald and News misses an occasional number of the Presbyterian, or it fails to fall into the hands of the right man.

Don't be unduly alarmed, but be vaccinated. Some say it is smallpox, some say chicken pox. Any way it is mild, as usual every close of winter.

Among the crowd whose names were mentioned as visitors to the corn exposition, were some young men who, while in Columbia, went to a barber

shop for "repairs." They indulged in the various comforts afforded by a first-class tonsorial establishment, but what they could not understand was that there was a difference of five cents in the accounts of two of the party, each of whom had received the same treatment, one being charged \$1.60 for it and the other \$1.55. It puzzled them and they are still figuring on it. Something wrong.

Mr. H. B. Wells, who is arranging to have "Freckles" at the Newberry opera house, handed The Herald and News a printed song on "Eradicating ticks in the South." It is to the tune of "Everybody works but father." The chorus blames the ticks as being the cause of the trouble—the cattle in the South being quarantined—but goes on to say, "But Pa says that ain't so," because "Everybody works at our house with a durned old hoe." Now what that has to do with the cattle tick question is hard to see. And none of it has anything to do with "Freckles."

THE RED MEN OF OMAHA.

A Pleasant Gathering at a Nice Place and a Couple of Good Talks on a Fine Subject.

The members of Omaha tribe, No. 75 I. O. R., Prosperity, held an enjoyable and a very profitable meeting on last Friday night, on the occasion of a visit from Mr. O. Klettner, the Rev. N. A. Hemrick, and Messrs. Cannon G. Blease, F. R. Hunter and J. O. Havird, members of Bergell tribe, Newberry.

Mr. Klettner and Rev. Mr. Hemrick delivered stirring and able addresses both speaking along lines of a man's necessity and duty in providing for the future welfare of the members of his family, not only while they are with him, but after they have departed from these earthly scenes.

In a very forceful and impressive manner Mr. Klettner cited the Western Funeral Benefit association, which extends to every member of the I. O. R. M. in funeral benefits to the amount of \$500, at the cost of a monthly assessment of only forty cents.

Dr. Hemrick of the West End Baptist church, who has taken quite a hold on the people and is accomplishing much good, cited that it was not only a Red Man's duty, but every man's duty not to allow or cause the members of his family to be thrown upon the charity of a cold and merciless world.

Dr. Simpson, Dr. Kibler and others expressed their gratification at having such distinguished gentlemen present, and extended the thanks of Omaha tribe to the five visiting brethren.

MRS. CLEVELAND AGAIN A BRIDE.

Marriage Takes Place Without Preliminary Announcement at Residence of Dr. Kibben.

Princeton, N. J., Feb. 10.—Mrs. Grover Cleveland and Thomas Jay Preston, Jr., were married at 10.30 o'clock this morning by President John Grier Hibben, of Princeton university, in "Prospect," the executive residence of the university.

No preliminary announcement had been made of the marriage and the utmost simplicity was observed in the ceremony.

Because of the recent illness of Mr. Preston, the wedding was private, the other guests in addition to the members of the two immediate families being President and Mrs. Hibben, Miss Elizabeth Hibben and Andrew F. West, dean of Princeton's Graduate school.

The bride wore a simple white silk gown and carried roses. Esther Cleveland and Harry Preston, brother of the groom, stood beside the couple during the ceremony, which was performed in the main drawing room of President Hibben's home.

Prof. Preston and the members of his family, including his father and mother, Mr. and Mrs. Thomas J. Preston, of Aurora, N. Y.; his brother-in-law and sister, Mr. and Mrs. John Hoppen, and his other sister, Mrs. Florence Preston Jones, arrived in Princeton this morning and went directly to "Prospect."

The members of Mrs. Cleveland's family present included her debutante daughter, Esther, her younger daughter, who came here from school in Connecticut, and her son, Francis, Richard Cleveland, the oldest son, did not arrive from the Exeter Academy in time for the marriage.

Mr. and Mrs. Preston will spend the remainder of the winter in Florida.

THE SMALL POX SITUATION.

But One Case Reported—Rumors of Other Cases—Compulsory Vaccination Ordered.

The smallpox scare has flared up again. There are rumors of several cases throughout the county and near town, but so far only one case has been reported to the Newberry board of health.

Mrs. B. F. Barnes, on her return from a visit to Logansport, Ind., stopped over for a few days in Columbia, coming back to Newberry—to the boarding house of Miss Nora Long—and developing a case of small pox. The other boarders left the house and the house has been quarantined.

Dr. Frank D. Mower, chairman of the board of health, with the other members and Health Officer J. C. Adams, lost no time in investigating matters, and are managing the situation wisely. Compulsory vaccination has been ordered, city council having ratified the board's action. Dr. W. E. Pelham, Jr., has been appointed public vaccinator. However, as will be seen by reference to resolution, citizens may have their own family physicians do the individual vaccination.

COUNTY TEACHERS' ASSOCIATION

Resolution Favoring Compulsory Education—Many Practical Questions Discussed.

The county teachers' association held on Saturday, February 8, at the high school building of Newberry, took the form of a round table talk or the discussion of certain questions asked by the different members of the association.

Among the questions asked was: "Is reading history a good way to teach the subject?" This was answered in the negative, if the primary object be the teaching of history. However, an occasional reading of the history lesson might be made very helpful by the teacher showing the pupil how to study history. "How can a dull pupil be interested in history?" was also asked, and while the majority admitted that there are some dull ones, the problem was not solved. Other questions asked and discussed were whether Latin should be taught in a one teacher school, and whether reading should be taught the child first.

The following resolution was unanimously adopted by the association, copy of which the secretary was requested to send to each member of the house and the senate: "Resolved, that the county teachers' association of Newberry county respectfully urge our State legislature to pass a compulsory educational law."

The next meeting of the association will be held at the Prosperity school building at 12 o'clock on Saturday, March 22.
